TUESDAY MORNING ......OCT. 16, 18ed.

The Vanceyites teel happy that they can point to the States that have just voted united South on Brecklaridge. That is just and a united South—the "irrepressible con-fliet." Their friends North have aided in the heard it. work. They have voted straight out the cey, laid down nearly a year ago, and so well executed up to this time under his supervision. They would be much disappointed if the North were not united; it would mar the whole programme. They will be still more disappointed if the South is not

Will any Democrat of principle play late he hands of these men, by aiding to exe- rive. cate the very scheme they devised? There s now more reason than ever why every Ballimore Herring, to arrive. iend of Donglas in the South should work more vigilantly than ever. The North, happily, is not united. A powerful minority in every free State will stand firm, in spite of the storm; a change of one voter in retailer should be without. twenty would turn the scale in nearly all of 5,000 bush Northern Oats. friends in the free States, who have so often | 6:18 tood by ns, at the call of a sectional party,

onflict" tendered by Seward? the only representatives of the policy which ed to his care. He now has the control of naintains the neutrality of Congress on the 1,000 carrels of flour, 1,000 sacks of wheat, AND HOUSE FURNISHING GOODS :: question of slavery in the Territories. Con- 500 bbls No. 1 potatoes; also apples, onions, Territories when necessary; the Democratio he Southern wing insist that Congress shall interfere to protect slavery when necessary. It is impossible that any national party can lation la Congress cannot be attempted on ne side or the other without an explosion. If this Union is to remain in peace, the Federal Government must refrain from all action on the subject. Those not satisfied with his are not satisfied with the Union: for his is the best that can be done in the Union Douglas and Johnson alone represent this policy in the contest; and every

as the shipwrecked mariner clings to the last plank. We secured this policy in 1850 and 1854; we were delighted with it then, as a basis of perpetual peace. The overwhelming maorny of the South explied over lt. In four

short years the time is changed. Somealng more must be done than was done then, or we of the South will not be satisfied. Well, it is plain now that nothing more will be done by the Congress of the United States If more must be done, or the Union dissolved, then we had as well bagin now to prepare for the latter. Let those ready for t vote for Breckinridge. Let every Democrat who intends to stand

by what is practicable in the Union, what we have lived under up to this time, vote for Douglas. Let us show our Northern friends that we make no impracticable de. mands, that we never surrender to this sec-

The fact is, we stand on this living quesion just where a national party must stand reafter. We can be only permanently de-

Those who reflect on the aspect of adapted completely to sustain the reputapolitical affairs, must see how preposterous tion which is claimed for it. In a number ( ORDAGE. is this alarm in the South at the election of Lincoln, or the prospect of his election. Far more importance is attached to the Executive office than belongs to it. The election produces a great struggle, chiefly for the vast patronage it wields; but that patronage weakens the political influence of the President is formidable to his own party, rather than to his opponents, as he is usually in a minority in the party that elevated him Lincoln, should be be clested, will be in

are elected; in Ohio eight; in Indiana four;

in California there will be two; in Illinois,

the fx of the man who bought the elephant. His party is unlied now, because it has only to oppose generally. When it has to oontroi even one department of the Government t will explode. It is made up of all the odds and ends in the free States that have been the present time, is the great trunk manuopposed to the Democrats. In general, they can't prohibit slavery in the Territories if they had a majority in both Houses; for the and hat boxes, carpet bags, bureau trunks, Superme Court has said that Congress has clearly best quality, at unprecedent the sure best process. All of Mr. McCleary's mot the power. They might, indeed, remodel the Superme Court, if Congress agreed to it, as well as durable goods. Since the Supreme Court, if Congress agreed to it, as well as durable goods. but the Senate is against Lincoln, and will Metrographs, remain so until the close of his term. The next House will certainly be against blm In Pennsylvania, five opponents of Lincoln

Metrographs. Taken at Webster's Gallery. MERCHANT TAILOR -M. B. Swaln, No. 4 COFFEE - 20 BAUS ALJ COFFEE TO ARRIVE AND For each by all buggets and Landhorn St. Lan 60 BYE LANGHORNE'S MINNIES EXTRA TO. not more: besides a fair chance for several receipt of his splendid stock of vestings, based for any ly shape without and local for several receipt of his splendid stock of vestings, of his splendid stock of vestings, and in the stock of vestings, of his splendid stock of vestings, of his splendid stock of vestings, and in the stock of vestings, of his splendid 

pend on his opponents for the power to see that the laws are faithfully executed; for all the supplies his Administration may need What Larm, then, can Lincoln do the South! dress the civizens of tillham and Shelby Why should the South be uneasy at the counties, at the following times and places: prospect? She is not in much danger Congress will not protect slavery in the Territories against the wishes of the people there; nor will it prohibit slavery in the Territories. It will not repeal the anti slavery laws of Kansas, nor the pro-slavery laws of New Mexico. All that is wanted is the slightest degree of statesmanship on the part of the South to multiply her friends in the free States, and diminish her enemles In that she will have the efficient aid of Linco'n. He can go no way without losing the support of a wing of his party. It will re uire more wisdom to keep it together than it took folly to break up the Democratic party. Such an amount of wisdom is not human. It is, therefore, all folly in the South to be alarmed at the prospect of the rail splitter's election. His hands will be tied completely. So far as the objects of

single party measure. Indeed he will de

will be a blank.

The Courier is in a terrible rage at he charge that Bright voted the Republican Napol on, Gabatin co icket at the late election. The editor had as well cool off. Bright did the deed, no doubt. It is the uniform statement from Jeffersonville, except amongst a few of his friends, who say he voted like an independ. ent freeman. He did what he advised his friends to du. lle set the example. Le' im, or any one authorized by him, deny it The Courier doesn's know anything. It denied that Breckinridge went to West Liberry and made a speech, got indignant and vulgar ever the news, and, thereby, made an !

The support of Lane, by J D. Bright, of Indiana, is hard on the Breckinridge men of this State. The organ here denies it terribly; but Jesse doesn't deny it. He said to one of his Brecking i lge friends that was nobodys d-d business how he voted: to another that this was a day a man couli vo'e as he pleased.

What does the organ mean by deny and proclaim a united North and invoke a Black Republican ticket? Does the organ ing hat the Hon. Jesse D. Bright voted the what they intended to bring about at vote it and dodged the responsibility himmean that Bright advised his friends to Charleston and Italtimore a united North soff. It is not worth while to deny that he
